SHEIKH ZAYED GRAND MOSQUE VISITOR CENTRE

Abu Dhabi, United Arab Emirates

RALPH APPELBAUM ASSOCIATES

The visitor centre is creates an enhanced experience for visitors to the Abu Dhabi mosque and caters to the large number of tourists, prior to entering the mosque.
3D visualizations for presentation of Sheikh Zayed Grand Mosque Visitor Centre.

LEGEND MUSEUM

Madrid, Spain

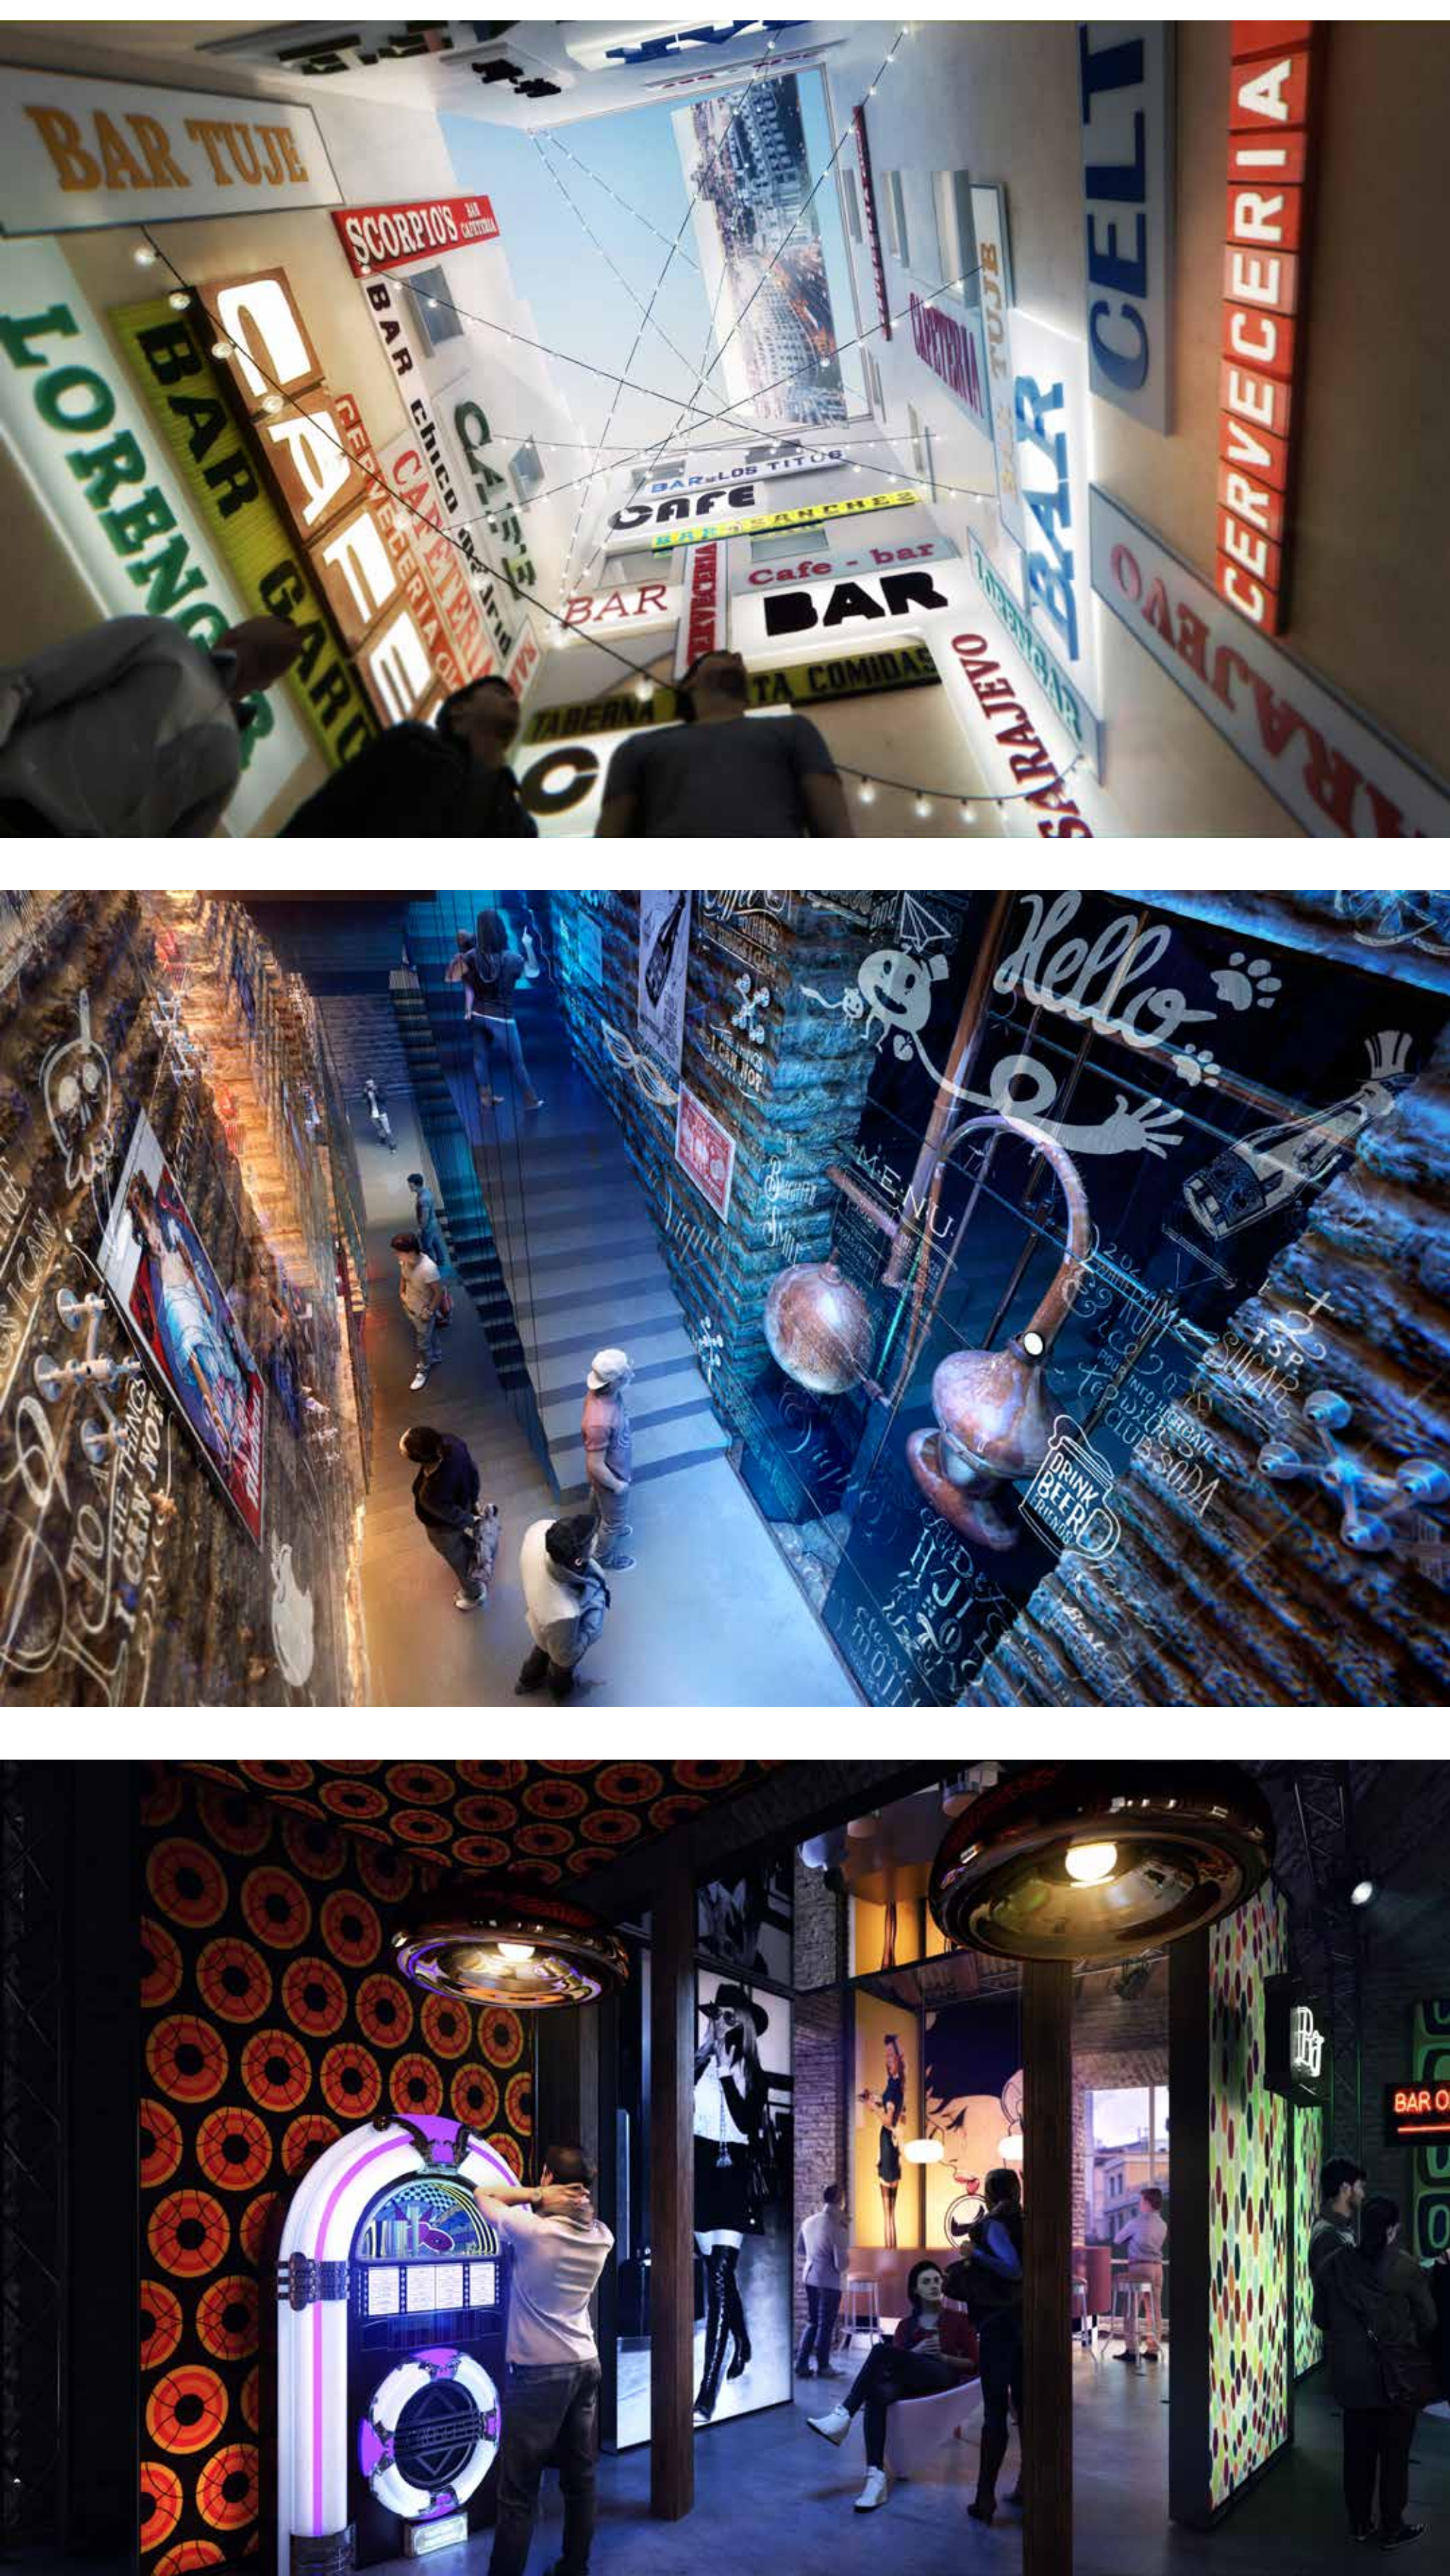

Cyran

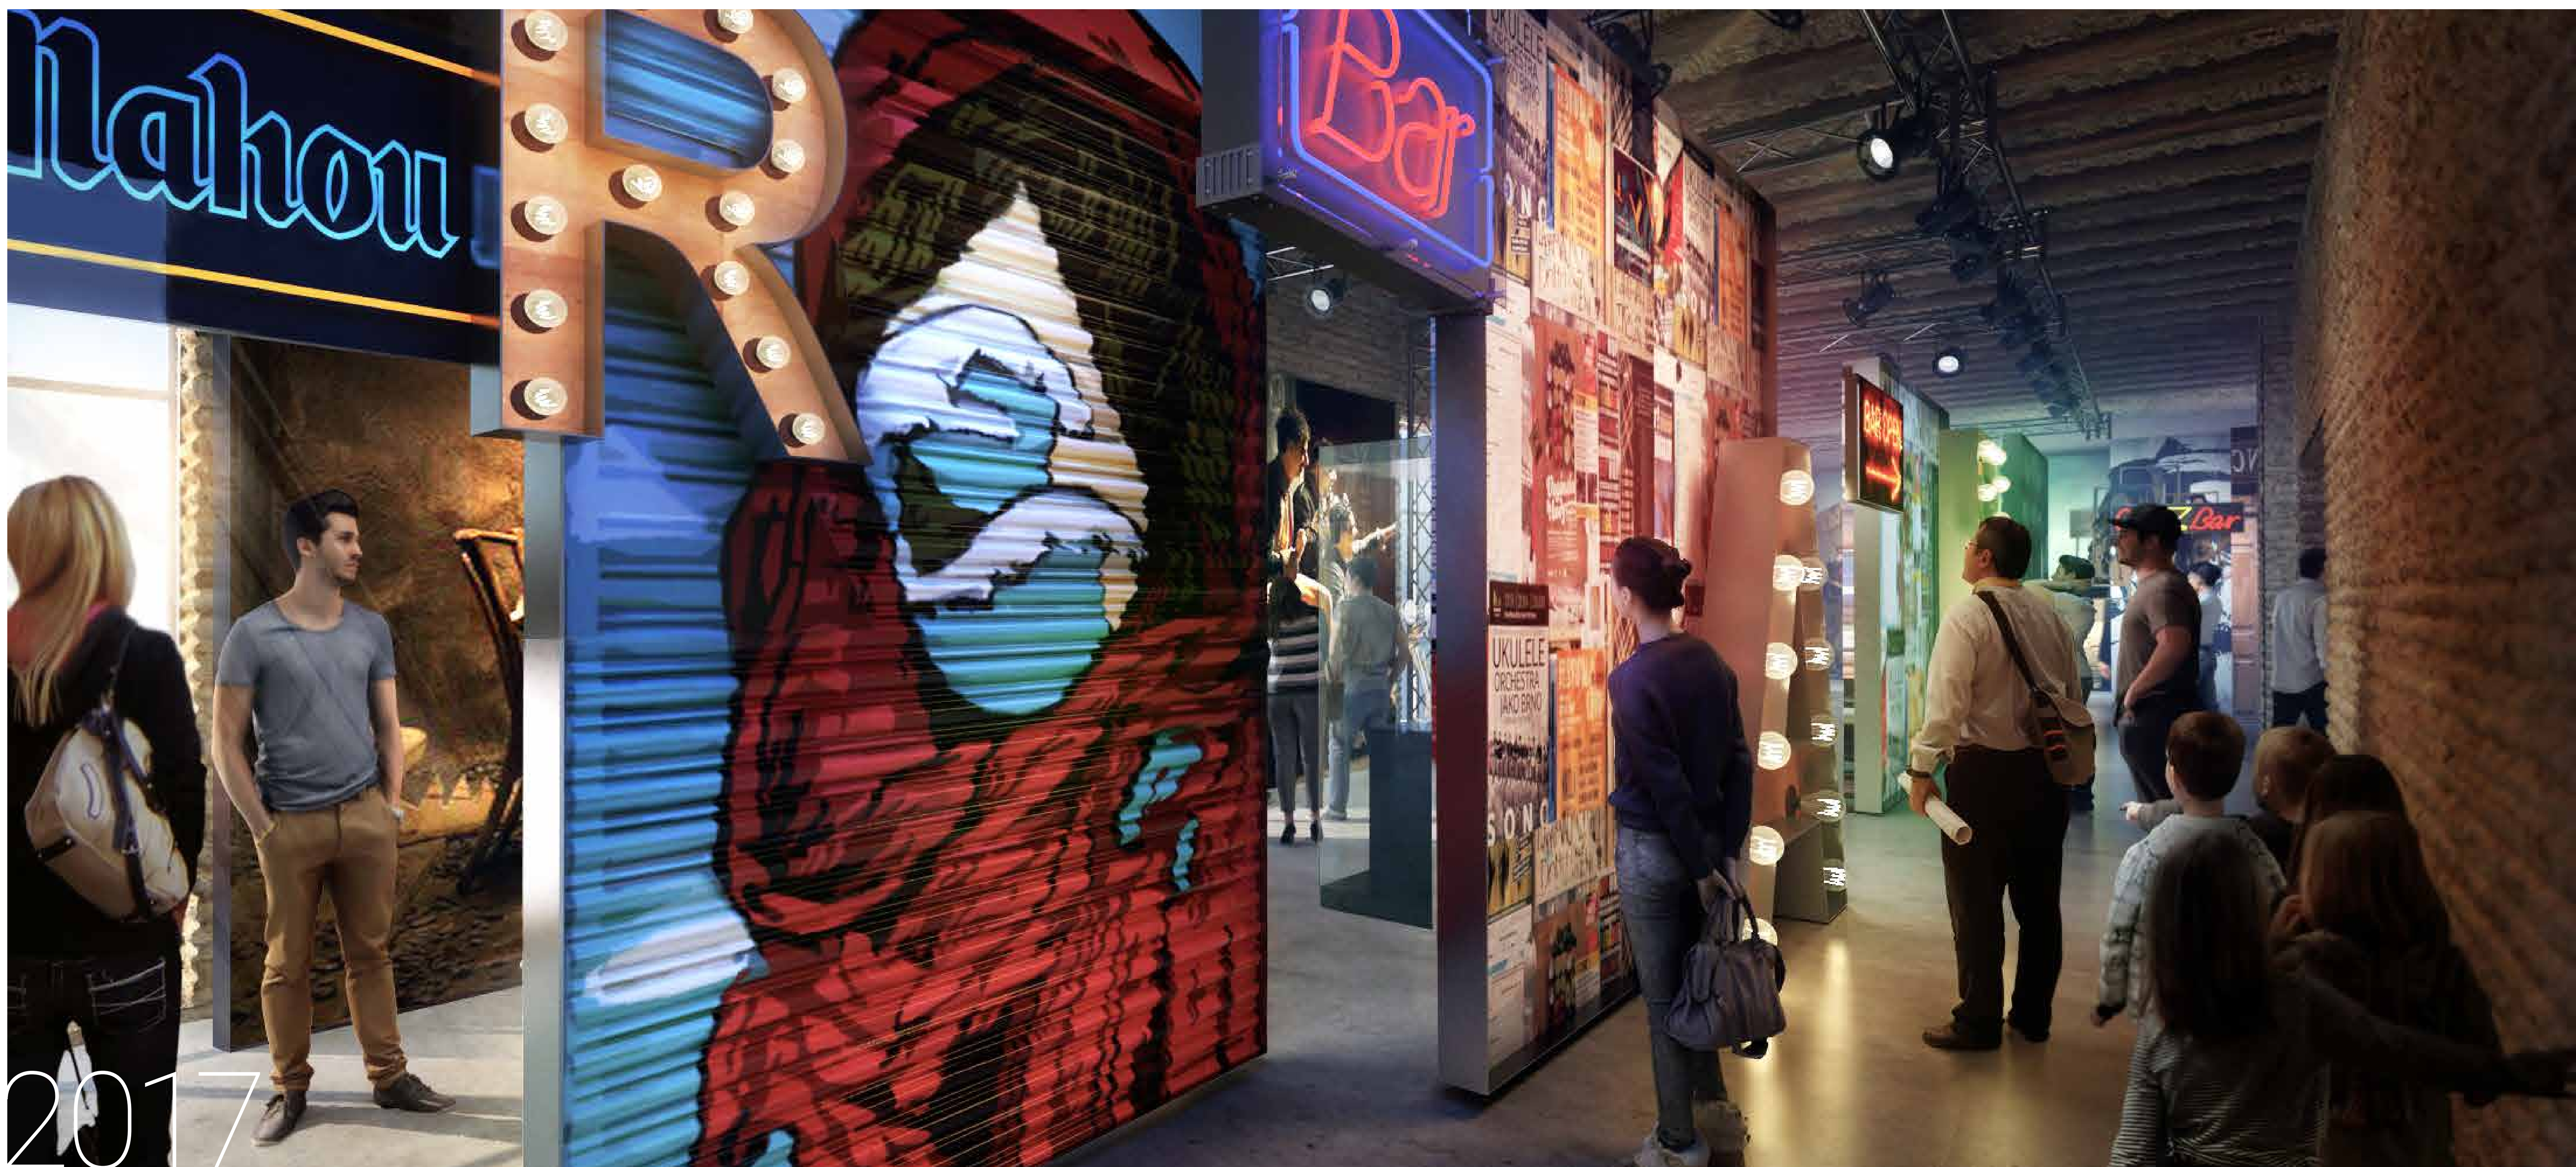

ACCIONA PRODUCCIONES Y DISEÑO

Video presentation of an overall museum concept dedicated to an important historical collection of football memorabilia, LEGENDS.

Audiovisual presentation.

VITELSA

MAHOU, the brewing company, wished to underline its cultural activities and social commitment by creating a cultural foundation / beer museum with headquarters located in the heart of the Latina neighborhood.

CYAN for the presentation of the project created a series of audiovisual pieces and CGI images. We also collaborated on the design and production of the “theatrical” staging presented to the client.

HORNIMAN MUSEUM & GARDENS

London, **United Kindom**

Cyran

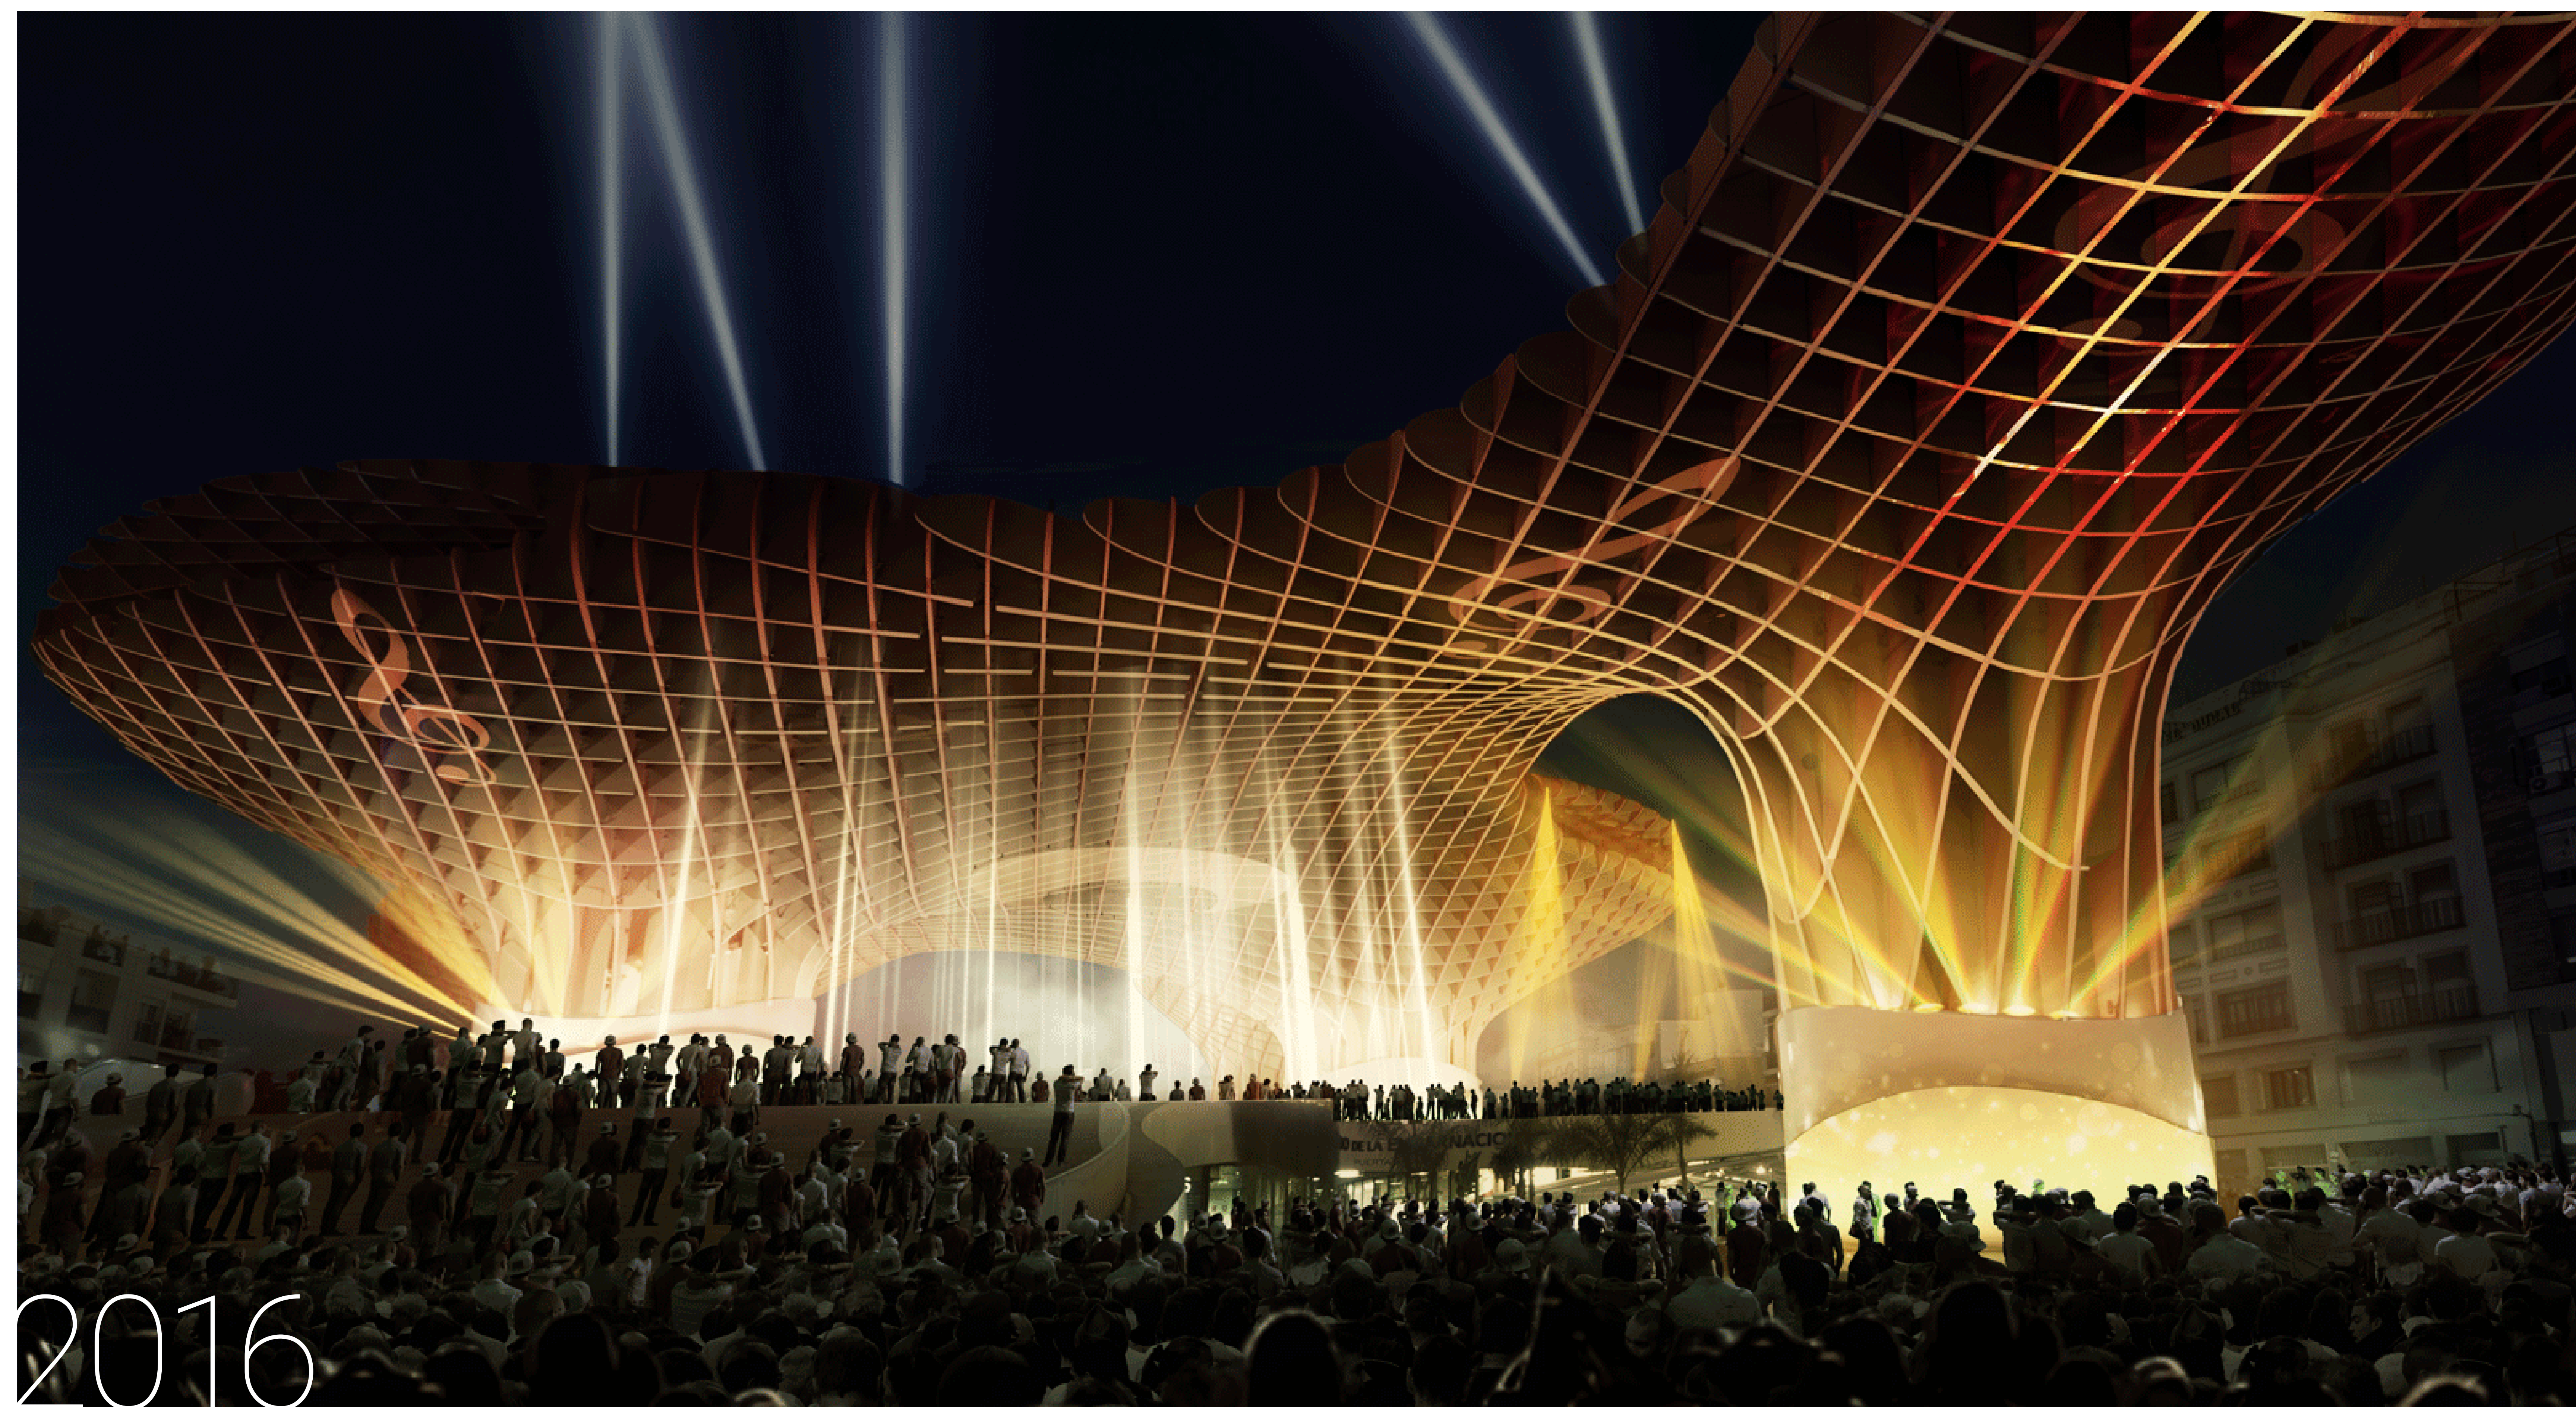

RALPH APPELBAUM ASSOCIATES

2017

In the 1860s, Frederick John Horniman, Victorian tea trader and inventor of the tea bag, began collecting natural-history specimens, cultural artefacts, and musical instruments from around the world. Since then the collection has grown tenfold and includes internationally important collections of anthropology, as well as an acclaimed aquarium, a Butterfly House. 3D illustrations/visualizations.

LATIDOS DE LUZ. ALUMBRA
Seville, Spain

ACCIONA PRODUCCIONES Y DISEÑO

Christmas Holidays 2015 Show for ACCIONA Producciones y Diseño, commissioned by the city of Sevilla, presented at Alameda de Hercules and Metropol Parasol (Las Setas), This public spectacle relied on complex synchronization of animated projections, lights, music and circus performance to highlight Seville’s main historical landmarks that served as opera settings.

NATIONAL MUSEUM OF PRAGUE

Prague, Czech Republic

Cyran

BORIS MICKA ASSOCIATES

MORALES DE GILES ARQUITECTOS

Université Paris-Saclay Learning Center.

3D illustrations/visualizations for the winning project submitted.

BATA CITY

Bata, Equatorial Guinea

CyAn

ATLAND GLOBAL

Bata, the second largest city of Guinea, is initiating an urban transformation that may make it one of the continent's most modern cities. CYAN was commissioned to tell the story of this huge project, in under fifteen minutes. Aware that dense specifics of engineering and planning are of interest mostly to specialists, we decided the story should be more than dry numbers and statistics. We humanized the message.

BORIS YELTSIN PRESIDENTIAL CENTER

Yekaterimburg, Russia

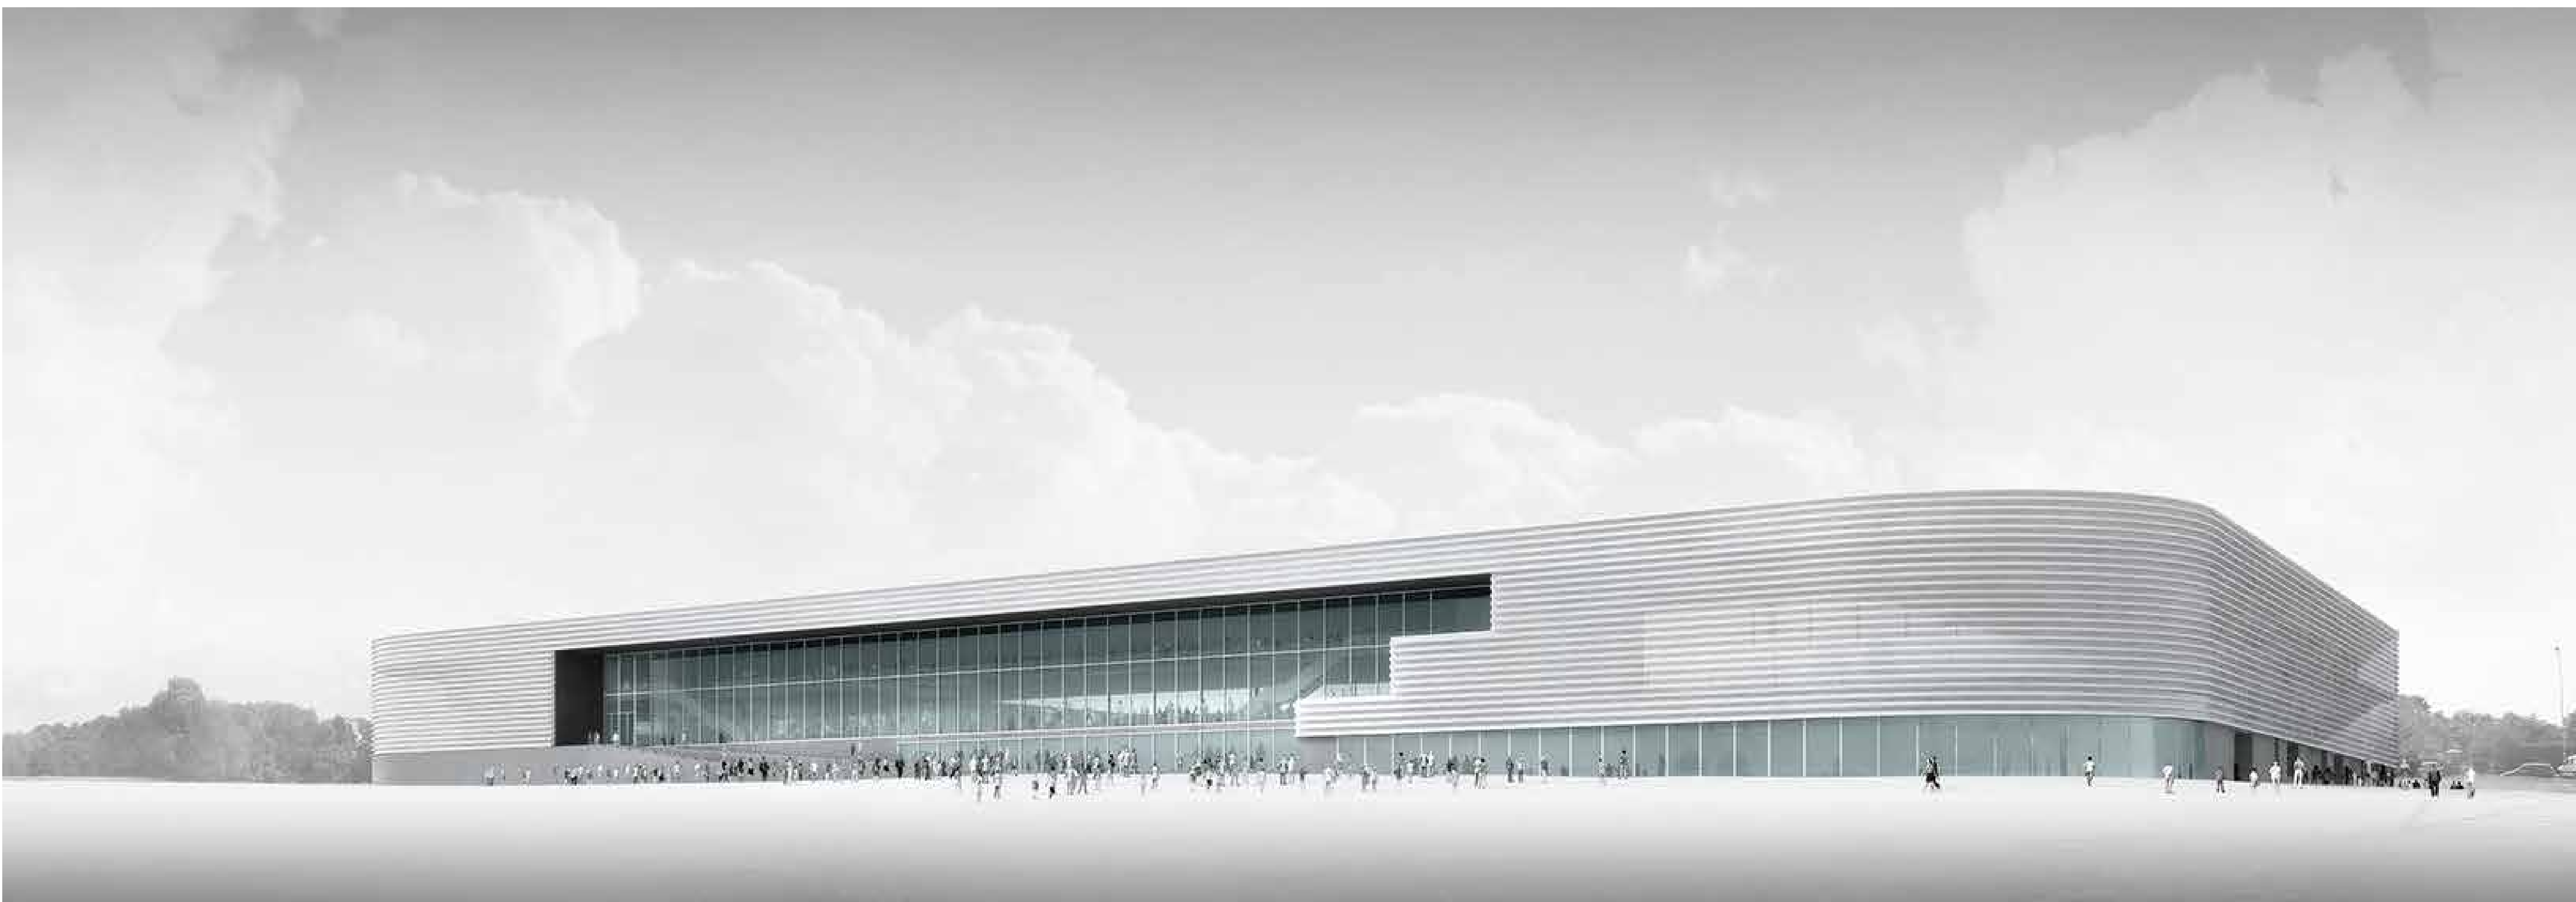

RALPH APPELBAUM ASSOCIATES

Presentation of a museum proposal
(Entrance and Atrium).
3D illustrations/visualizations.

SPORTS COMPLEX

Lausanne, **Switzerland**

Cyñ

CRUZ Y ORTIZ ARQUITECTOS

Sports Complex Project in Lausanne. CGI works and layout design for the bid submitted by Cruz y Ortiz Arquitectos for the competition to build a sports complex in Lausanne.
3D illustrations/visualizations.

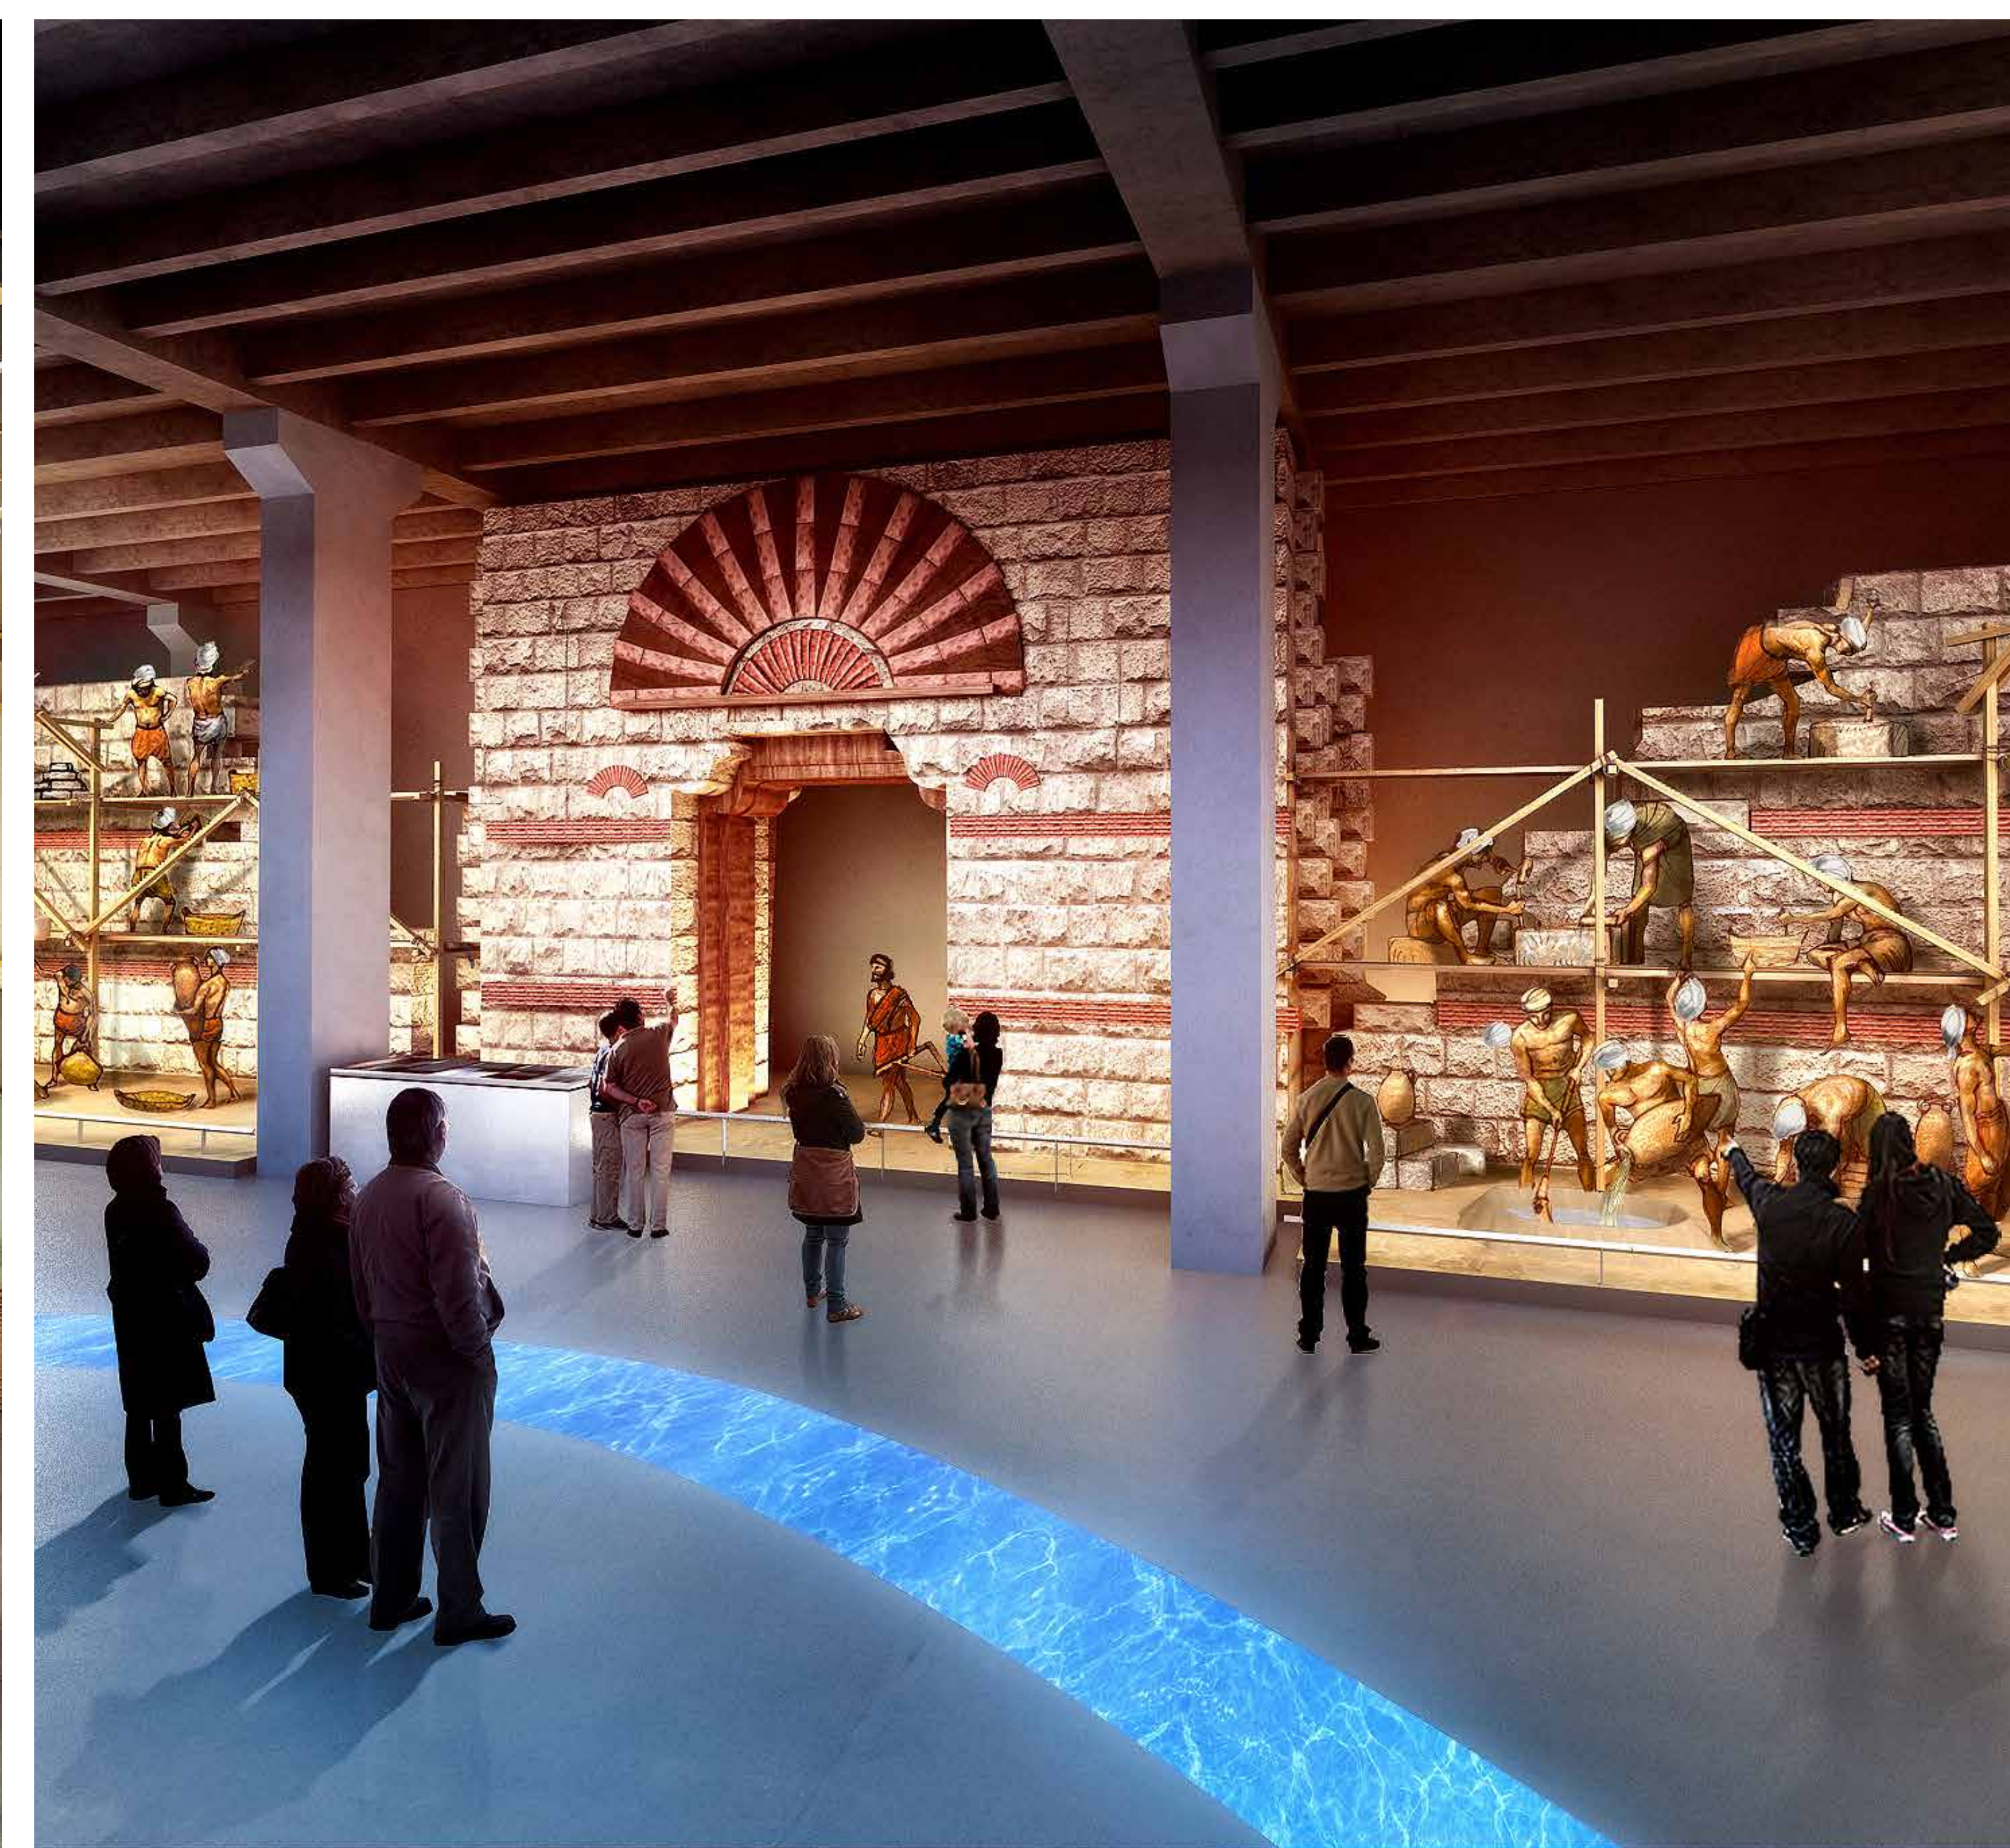

2014

CRUZ Y ORTIZ ARQUITECTOS

Hotel Ambassade Restyling Project The Ambassade Hotel holds a special appeal for authors and artists because of its unique house library and the numerous pictures and objects that user can encounter everywhere in the hotel, all chosen for their artistic appeal.

CYAN produced the architecture infographics for the bid submitted by Cruz y Ortiz Arquitectos to the project competition of the restyling of Hotel Ambassade.

BORIS MICKA ASSOCIATES

Istanbul isn't just about historic monuments. The city is fast becoming known for its excellent art scene, with galleries and museums like this one, Istanbul City Museum, project that was finally reached after years of planning and dreaming.

The architect Boris Micka commisioned CYAN to make a video walkthrough presentation and CGI works for the project.
